

BEACH CLEANUP

JOIN US: Sat., Oct. 1st - 9am til pau

Rise Above Plastics this October and help keep plastic trash off of your coasts and waterways by participating in Surfrider Foundation's **One Foot at a Time** plastic cleanup event on October 1st. Held in conjunction with Clif Bar's Day of Action, volunteers from across the country will join together to raise awareness about the dangers of plastic pollution by removing pieces of plastic trash from our environment one square foot at a time, and then using that collected plastic to create unique mosaic sculptures.

To submit your plastic trash mosaic, simply take a picture of your square foot of trash collected and email us at OFAAT@surfrider.org for the chance to win cool prizes and help us reach our goal of removing 1,000 square feet of plastic debris from our environment.
